Deftones - Cherry Waves

Tom: C

    sorry, it isn't the full song, its missing a small bit. I found this
song by accident and have just found out it isn't even released yet.
Anyway, here is most of the tab for it: (dropped c)
Intro:

chorus:

basically just sounds like:

then at around 3 mins in the song there is this:

thats it. for any changes if youv'e already heard it email me:
, thanks.
