

# Deftones - Dai The Flu

Tom: **E**

Tune your guitar a half step down, then drop **E** to **D**

This is the Intro and Chorus

Another way you can play this is

end with:

```
|-----|  
|-----|
```

```
|-----|  
|--11--|  
|---9--|  
|-----|
```

Bridge

Outro

Later on in the song he plays this an octave higher.
