     Eb7m           Gm

   Eb7m           Gm
 Come see inside my bones
Eb7m                    Gm
 All of the fiends are on the block
        Eb7m
 I'm the new king
 Gm
 I taste the queen
    Eb7m         Gm
 In here were all anemic
    Eb7m    Gm
 In here anemic and sweet

              Ab
 Go get your knife go get your knife
           Gm
 And come in
              Ab
 Go get your knife go get your knife
           Gm
 And lay down
              Ab
 Go get your knife go get your knife
           Cm
```

```
 Now kiss me

I can float here forever
In this room we can't touch
The floor in here
Were all anemic
In here anemic and sweet so

Go get your knife, go get your knife
And come in
Go get your knife, go get your knife
And lay down
Go get your knife, go get your knife
Now kiss me

Ohh... I could float here forever
Ohh... anemic and sweet
Ohh... I could float here forever
Ohh... anemic and sweet...so...

Go get your knife, go get your knife
And come in
Go get your knife, go get your knife
And lay down
Go get your knife, go get your knife
Get filthy
Go get your knife, go get your knife
And kiss me...
