

# Delce Rosa - Amanda

tom:

Amar Amanda, Há um mar azul  
 Traz no olhar a paz do mundo

Parece água rasa, límpida e pura  
 Tem porém os seus mistérios

Como oceano profundo  
 Segre dos

Amar Amanda, há um céu azul

Traz no olhar nuvens em verso

É brisa quente, é ventania  
 Sopro de vida que hoje renasce

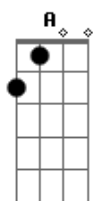

Rumo ao universo  
 Segre dos

Em tons de cinza que se misturam

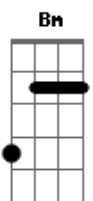

Ao céu do azul, ao azul do mar

Sem preto nem branco, mistério é Amanda  
 O mar, o céu em seu olhar
