

# Délcio Luiz - Adeus, Meu Bem

tom:

Intro: Cm D7 <sup>G</sup>G7M G7  
Cm D7 G7M D7 D7

O que você queria que eu fizesse?

Você me pediu pra dar um tempo

Esperava que você viesse

Reviver o nosso sentimento

Quando me cansei de te esperar

Quando achei alguém pra minha vida

Você cisma de voltar

Com essa paixão mal resolvida

Agora é minha vez

De te pedir: "Me dá um tempo"

Não faz assim

Perdoa, eu tô feliz

Sofri demais te esperando à toa

Desculpe, estou amando outra pessoa

Que direito você tem de vir me censurar?

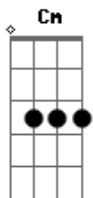

Quanto tempo fiquei sem ninguém

Agora que encontrei alguém

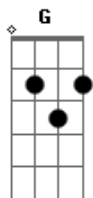

Adeus, meu bem

[Solo] Cm D7 G
