

Delecy - Leite e Mel

tom:

Intro: Gm Am F Ebm D
Gm C F

Cantando ou chorando

Subindo ou descendo

Assim vou vivendo

A cruz carregando
A luta enfrentando

Não desfalecendo

Num dia alegria

No outro a dor

Depois da fraqueza

Um novo vigor

O que hoje me falta

Amanhã já sobra

Graças ao Senhor

Nesta caminhada

Nem tudo é flores

Também há espinhos

Muitos dissabores

Mas nossa esperança

É viver lá no céu

Na terra onde

Emana leite e mel

O crente é provado

Mas não reclama

O crente fiel

Tem esta esperança

De viver lá no céu

Na terra onde
(Bb Bbm F)

Emana leite e mel

[Solo] Gm Am Eb D
Gm C F

Em Jesus confio

Que está comigo

Na luta e na prova

Não me desampara

O escape prepara

Sempre na hora
Se as lágrimas rolam

Com muito carinho

Vem bem de mansinho

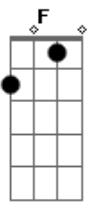

Enxuga meu pranto

Me tira a tristeza

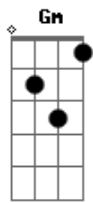

Põe em minha boca

Um novo canto
