

Della Reese - And That Reminds Me

```
That I need no reminder to miss you so
Intro: d.: C (Fingering)
                                                                                                                                                                                                                                                                                                                                   I hear the sound of music
