Intro: ^AEm G C2

^{Am} C2
Walls came down
Where did they go
I didn't notice

^{Am} C2
When they fell
I fell for you
Smitten and hopelessly

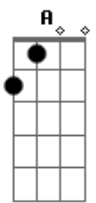

^{Am}
Lost in this feeling
Maybe I'm healing
Couldn't be scared if I tried
Cause nothing's ever felt this right

^G
I can't hold back, I'm falling in love
It's been right on the tip of my tongue
So here I go speaking honestly
I think this is forever for me

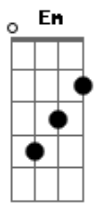

^{Am} C2
When we're alone
Time floats away
We stare at each other
Take me home
I can't wait to hug
And thank your mother

^{Am}
Here's what I'd say

Just a look from you I come undone
So here I go speaking honestly
I think this is forever for me
