 I was walking home from school

 On a cold winter day

 Took a shortcut through the woods, and I lost my way

 But then a precious baby boy took my hand

 And led me home

 And I knew in my heart

 He was the answer to my prayers

G Em7 Am7 D  
 Oh I believe there are angels among us  
 G Em7 C D  
 Sent down to us from somewhere up above  
 G Em7 C D  
 They come to you and me in our darkest hours  
 C Bm7 C D  
 To show us how to live, to teach us how to give  
 C D D7 G Bm7 C D  
 To guide us with the light of love

G D  
 When life held troubled times  
 Em C  
 And had me down on my knees

 There's always been someone  
 C D  
 To come along and comfort me

G D  
 A kind word from a stranger  
 Em C  
 To lend a helping hand  
 G Em C D  
 A phone call from a friend, just to say I understand  
 C Bm7 C D  
 And ain't it kind of funny that at the dark end of the road  
 C Bm7  
 Someone lights the way  
 C D  
 With just a single ray of hope

G Em7 Am7 D  
 Oh I believe there are angels among us  
 G Em C D

 They wear so many faces

 In our time of need
