

Demi Lovato - Avalanche

Tom: C

Am F C
 Words like a loaded gun
 Am F C
 Shot out from a fire tongue
 Am F C
 Love lost from a fight that was won
 Am F
 And I can see you breaking down
 C
 The end to a falling out
 Am F C
 I got pride you can't hold your breath
 Am F C
 We'll crash down like an avalanche
 Am F C
 Look out now, don't take one more step
 Am F C
 We'll crash down like an avalanche, avalanche
 Am F C
 I never wanted it to turn out this way
 Am F C
 Now forever feels like yesterday
 Am F C
 Sorry something that I just can't say
 Am F
 Can you see me breaking down
 C
 The end to a falling out
 Am F C
 I got pride you can't hold your breath
 (Even if we survive)
 Am F C
 We'll crash down like an avalanche

(Crash down, crash down)
 Am F C
 Look out now, don't take one more step
 (Even if we survive)
 Am F C
 We'll crash down like an avalanche, avalanche
 (Crash down, crash down)
 Am F C
 Ooooh, ooooooh, oooo-ooooh
 We'll crash down, yeah
 Am F C
 Ooooh, ooooooh, oooo-ooooh
 Like an avalanche

Am F C
 I got pride you can't hold your breath
 Am F C
 We'll crash down like an avalanche

Am F C
 I got pride you can't hold your breath
 (Even if we survive)

Am F C
 We'll crash down like an avalanche
 (Crash down, crash down)

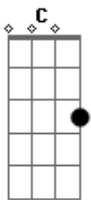

Am F C
 Look out now, don't take one more step
 (Even if we survive)

Am F C
 We'll crash down like an avalanche, avalanche
 (Crash down, crash down)

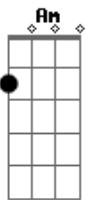

Am F C
 Ooooh, ooooooh, oooo-ooooh
 We'll crash down, yeah

Am F C
 Ooooh, ooooooh, oooo-ooooh
 Like an avalanche
