Demi Lovato - Back Around

Tom: C

```
    (intro) Em  C  G  D (2x)
            Em  C  G  D (2x)

(verse 1)
Em   B                       G
    What did I do to deserve this?
C
Tell me the truth and don't
Em   B
lie You're pretty good at
G           C
that but no not this time
Em          D
   You walk around like
you run the world
G
Running your mouth and
C
talking about me now
Em              D
   They think that you're
the perfect girl
G
The're gonna see
C
everything so get back

(chorus 1)
Em      C                G
   It's gonna come back around
      D          B       Em
You know that this town is just too
           C       G        D   B
small and not too tall to take this again
Em    C                   G
   You dress to impress but I got news
   D                     Am
You know you're just gonna lose
            C
Everything and everyone
      B
that means so much to you

(interlude 2x) Em  C  G  D

(verse 2)
Em
   I'm feeling bad for
G
You are alone and
C
nobody cares that you are
Em          B
   One look into your eyes
G           C
Easy to see what you
could be but you're
      Em            D
not  I say it's time
that you give in
G
Since it was real you
C
```

```
cannot fulfill your over
Em                D
   You feel your heart
beat deep down
G
You're in the shame of
C
causing this pain
Just get out

(chorus 1)

(bridge)
C           D
Please go away
Em
You keep hearing
F                  C
everything that people
D        Em
say And you can't take
      F           C
the pain another day
Em    D             C
   It's coming back around
         D
I told you this town
        Em        D C D
was just too small

(chorus 2)
Em      C
   You dress to impress
            G
but you can stop now
      D          B Em
It's gonna come back around
                  C
And around and around
             G   D
and around and around
B Em      C               G
Yeah yeah It's gonna come back around
      D              B
You know that this town is just
Em               C
too small and not too tall (Too tall)
     G             D     B
To take this, take this again [Whoa]
Em    C                     G
   You dress to impress but I've got news
     D                    Am
You know you're just gonna lose
            C
Everything and everyone
      B          Am
that means so much to you
                  C
Everything and everyone
      B          Em
that means so much to you
D        C
Everything and everyone
    Cm              Em C G  D(hold)
that means so much to you
```
