

# Demi Lovato - Body Say

Tom: Ab

If I had it my way, I would take you down  
 If I had it my way, I would turn you out  
 And if my body had a say, I would cum again  
 Scared of what I might say  
 'Cause I'm at the edge  
 And our eyes are crossing paths around the room  
 And there's only one thing left for us to do

You can touch me with slow hands  
 Speed it up, baby, make me sweat  
 Dreamland, take me there 'cause I want your sex  
 If my body had a say, I wouldn't turn away  
 Touch, make love, taste you  
 If my body told the truth  
 Baby I would do just what I want to

If I had it my way, I would take the lead  
 And if I had it my way, I would take you deep  
 If my body had a say, I'd get it off my chest  
 Show you all the red lace underneath this dress  
 And our eyes are crossing paths across the room  
 There's only one thing left for us to do

You can touch me with slow hands  
 Speed it up, baby, make me sweat  
 Dreamland, take me there 'cause I want your sex  
 If my body had a say, I wouldn't turn away

Touch, make love, taste you  
 If my body told the truth  
 Baby I would do just what I want to  
 My mind is getting in the way  
 Can't feel what my body say  
 I'mma tell you anyway  
 I'mma tell you anyway

My mind is getting in the way  
 Can't feel what my body say  
 I'mma show you anyway  
 I'mma show you anyway

There's only one thing left for us to do  
 (mudo)  
 Oh, you can

You can touch me with slow hands  
 Speed it up, baby, make me sweat  
 Dreamland, take me there 'cause I want your sex  
 If my body had a say, I wouldn't turn away  
 Touch, make love, taste you  
 If my body told the truth  
 Baby I would do just what I want to

You can touch me with slow hands  
 Dreamland  
 If my body had a say, I wouldn't turn away  
 Touch, make love, taste you  
 If my body told the truth  
 Baby I would do just what I want to
