

# Demi Lovato - Catch Me

Tom: E

Before I fall too fast  
 Kiss me quick  
 But make it last  
 So I can see how badly this will hurt me  
 When you say good bye  
 Keep it sweet  
 Keep it slow  
 Let the future pass  
 But don't let go  
 But tonight I could fall to soon under this beautiful moonlight  
 But you're so hypnotizing  
 You've got me laughing while I sing  
 You've got me smiling in my sleep  
 I can see this I'm unraveling  
 Your love is where I'm falling  
 But please don't catch me  
 See this heart?  
 Won't settle down  
 Like a child running scared from a clown  
 I'm terrified of what you'll do  
 My stomach screams just when I look at you  
 Run far away

So I can breath  
 Even though you're far from suffocating me  
 I can't set my hopes to high  
 'Cause every hello ends with a goodbye  
 But you're so hypnotizing  
 You've got me laughing while I sing  
 You've got me smiling in my sleep  
 I can see this I'm unraveling  
 Your love is where I'm falling  
 But please don't catch me  
 Now you see  
 Why I'm scared  
 I can't open up my heart without a care  
 But here I go  
 It's what I feel  
 And for the first time in my life I know it's real  
 But you're so hypnotizing  
 You've got me laughing while I sing  
 You've got me smiling in my sleep  
 I can see this I'm unraveling  
 Your love is where I'm falling  
 But please don't catch me  
 If this is love please dont break me  
 I'm giving up  
 So just catch me
