                                                              Ooh.. ooh. oooh
It?s probably what?s best for you
I only want the best for you
And if I?m not the best, then you?re stuck
I try to savertise and I,
ended up with wounds to bind
Like you?re pouring salt in my cuts
          G
               Am
And I just ran out of band-aids
I don?t even know where to start
                F G
'Cause you can?t bandage the damage,
You never really can fix a heart
Even though I know what?s wrong,
How can I be so sure
If you never say what you feel, feel
I must have held your hand tight,
you didn?t have the will to fight
I guess you needed more time to heel
      F G
Baby I just ran out of band-aids
I don?t even know where to start
'Cause you can?t bandage the damage
        G
You never really can fix a heart
      G Am
```
