

Demi Lovato - Got Dynamite

Tom: G

Verso 1:

Em
I can't take your hand
And lead you to the water
I can't make you feel
What you don't feel but you know you wanna

A
Find out how to crack me

Log in try to hack me

C **B**
Underneath the surface
D **A** **E**
There's so much you need to know

C **B**
And you might feel like you're drowning

D **B**
But that's what I need to let go

Refrão:

Em **G**
Tell me what you got to break down the walls

C **Gb**
You just might need dynamite

Em **G**
Tell me what you got to break down the walls

C **Gb**
Kick senseless,my defenses

G
Tell me what your gonna do

C **Gb**
I need you to light the fuse

Em **G**
Tell me what you got to break down the walls

C **Gb**
You just might need dynamite

Em
Got dynamite?
got dynamite?

Verso 2:

Em
I can't paint this picture
Just so you can hang it
I can't wait for you to understand
If you just don't get it
Find out how to crack me

A
Log in try to hack me

C **B**
Underneath the surface
D **A** **E**
There's so much you need to know

C **B**
And you might feel like you're drowning
D **B**
But that's what I need to let go

Em **G**
Tell me what you got to break down the walls

C **Gb**
You just might need dynamite

Em **G**
Tell me what you got to break down the walls

C **Gb**
Kick senseless,my defenses

G
Tell me what your gonna do

C **Gb**
I need you to light the fuse

Em **G**
Tell me what you got to break down the walls

C **Gb**
You just might need dynamite

Ponte:
G **C** **D**
When the walls come crashing dow

Bm **C**
I hope your standing right in front of me

G **D** **Bm**
Where my past lies all around

C **G** **D** **C**
'Cause all you to need to save me is to intervene

G (hold) **D** **C**
And make the walls come crashing down

Em G C Gb
Got dynamite

Em **G**
Tell me what you got to break down the walls

C **Gb**
You just might need dynamite

Em **G**
Tell me what you got to break down the walls

C **Gb**
Kick senseless,my defenses

G
Tell me what your gonna do

C **Gb**
I need you to light the fuse

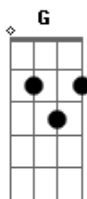

Em **G**
Tell me what you got to break down the walls

C **Gb**
You just might need dynamite

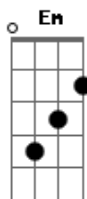

(Intro)

Got dynamite?
Got dynamite?
Got dynamite?
Got dynamite?
