<sup>Am</sup>  
 You think that you're so slick  
<sup>C</sup>

<sup>Am</sup> <sup>G</sup>  
 Hold that thought you're old news  
<sup>C</sup> <sup>F</sup>  
 Older than my old shoes  
<sup>Am</sup> <sup>G</sup>  
 Since you like to play games  
<sup>C</sup> <sup>F</sup>  
 Grow up act your damn age  
<sup>Am</sup>  
 Trix for kids  
<sup>G</sup>  
 You're so lame  
<sup>C</sup> <sup>F</sup>  
 Cause you never really loved me the same  
<sup>Am</sup>  
 Now close that door behind you (ay)  
<sup>G</sup>  
 Close that door behind you (yeah)  
<sup>C</sup> <sup>F</sup>  
 Don't let it hit you on the way out

<sup>C</sup> <sup>F</sup> <sup>Am</sup> <sup>G</sup>  
 Cause my girls are on the way now ha ay ha ay (yeah)  
<sup>C</sup> <sup>F</sup>  
 Cause my girls are on the way now  
 I'm on to another  
 Cause you changed like the weather  
 Say ay  
 0I got my girls  
 We in the party like  
 Ay I got my girl  
 We in the party like  
 Ay I got my girls  
 We be clubbin  
 Go home to you're mother  
 Cause you're just another sucka  
 Say ay  
 I got my Girls  
 We in the party like  
 Ay I got my girls  
 We in the party like  
 Ay I got my girls  
 We be clubbin like  
 My phone's on silent  
 I'm so tired  
 I don't wanna hear your name no more  
 I don't wanna see your face no more  
 Immature

You're so wrong  
 Don't come back  
 You're long gone  
 Can't you see I'm priceless?  
 You don't have sense to notice it  
 Thought you had  
 A hold of this  
 But you never gave me loving the same  
 Now close that door behind you (ay)  
 Close that door behind you (yeah)  
 Don't let it hit you on the way out  
 Ha ay Ha ay (yeah)  
 Don't let it hit you on the way out  
 Boy I'm not thinking bout you (yeah)  
 Imma drink without you  
 Cause my girls are on the way now  
 Ha ay Ha ay (yeah)
