

Demi Lovato - Here We Go Again

Tom: F

Intro:

F
I throw all of your stuff away
And then I clear you out of my head
Dm
I take you out of my heart
Bb
And ignore all your messages
F
I tell everyone that we got through
Cause I'm so much better without you
Dm
But it's just another pretty lie
Bb
Cause I break down
Gm Bb
Everytime you come around
0 Oh 0 Oh

Refrão:

F
So how did you get here
Under my skin?
C
I swore that I'll never
let you back in
Gm
Should have known better
Bb
In trying to let you go
Cause here we go go go again

F
Hard As I try
know I can't quit
C
Something about you
Is so addictive
Gm
We're falling together
Bb
You'd think that by now I'd know
Cause here we go go go again

F
You never know what you want
You never say what you mean
Dm
But I start to go insane
Bb
Everytime that you look at me
F
You only hear half of what I say
Dm
And you're always showing up too late

And I know that I should say goodbye
But it's no use
