Demi Lovato - Here We Go Again

Tom: F
Intro:

```
F
   I throw all of your stuff away
And then I clear you out of my head
Dm
   I take you out of my heart
Bb
   And ignore all your messages
F
   I tell everyone that we got through
                            Dm
Cause I'm so much better without you
                      Bb
But it's just another pretty lie
Cause I break down
Gm                      Bb
Everytime you come around
O Oh O Oh
```

Refrão:
```
     F
So how did you get here
Under my skin?
     C
I swore that I'll never
let you back in
Gm
Should have known better
                      Bb
In trying to let you go
Cause here we go go go again
F
Hard As I try
know I can't quit
C
Something about you
Is so addictive
                Gm
We're falling together
                      Bb
You'd think that by now I'd know
Cause here we go go go again
```

```
F
   You never know what you want
You never say what you mean

   But I start to go insane
Bb
   Everytime that you look at me
F
   You only hear half of what I say
                            Dm
And you're always showing up too late
                          Bb

But it's no use
