

Demi Lovato - Hold Up

Tom: A

(com acordes na forma de Capostraste na 2ª casa G)

If the weapon is your love

I've got my hands up

If the weapon is your love

I've got my hands up

It's a hold up

Broke in out of nowhere

Showed up, unannounced

This heist got me skipping a heartbeat

I'm giving up

I wanna run, run, run away

In your getaway car, make a getaway

Refrão:

If the weapon is your love

I've got my hands up

If you're gonna take me down

I surrender

I'll give you anything you want

Just don't leave me alone

This is a hold up

This is a hold up

If the weapon is your love

I've got my hands up

Hey, stranger

I'm addicted to the danger of the touch

Now you're wanted

Better keep me as your hostage

Tie me up

I wanna run, run, run away

In your getaway car, make a getaway

Refrão:

If the weapon is your love

I've got my hands up

If you're gonna take me down

I surrender

I'll give you anything you want

Just don't leave me alone

This is a hold up

This is a hold up

Everybody get down

Get down on the floor, floor

Everybody get down

Nobody gets hurt

Oooooh

Refrão:

If the weapon is your love

I've got my hands up

If you're gonna take me down

I surrender

I'll give you anything you want

Just don't leave me alone

This is a hold up

This is a hold up

If the weapon is your love

I've got my hands up

If you're gonna take me down

I surrender

I'll give you anything you want

Just don't leave me alone

This is a hold up

This is a hold up

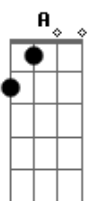

If the weapon is your love

I've got my hands up

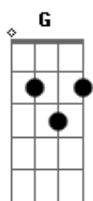

If the weapon is your love

I've got my hands up
