

Demi Lovato - Lonely (feat. Lil Wayne)

Tom: D

(forma dos acordes no tom de C)
 Capotraste na 2ª casa

He felt just like you
 His arms, his lips, his promises
 Were just as smooth
 His grip, it fit though I admit that only you
 Could make me feel the way you do
 Though you know love is blind
 And he just caught my eye

You know me
 And honestly I'm better without ya
 Don't you got me checking on my phone by the hour
 Baby, I'm hoping and praying
 My knees weak, I'm shaking
 'Cause you know that I always needed saving

Now I'm fucking lonely
 And you didn't want me
 Trying to show me that you didn't own me
 But all you do is leave me fucking lonely
 Knees on the concrete
 Cut up and bleeding for no Goddamn reason
 But all you do is leave me fucking lonely
 Leave me fucking lonely
 Leave me fucking lonely
 Leave me fucking lonely

The month was June
 The smoky sun, our fatal run
 It ended too soon
 With tears and proof
 'Cause all the carpets stained with juice
 Blood on my shoes
 And you know love is blind
 I can see it in your eyes

You know me
 And honestly I'm better without ya
 Don't you got me checking on my phone by the hour
 Baby, I'm hoping and praying
 My knees weak, I'm shaking
 'Cause you know that I always needed saving

Now I'm fucking lonely
 And you didn't want me
 Trying to show me that you didn't own me
 But all you do is leave me fucking lonely
 Knees on the concrete
 Cut up and bleeding for no Goddamn reason
 But all you do is leave me fucking lonely
 Leave me fucking lonely
 Leave me fucking lonely
 Leave me fucking lonely

Bitch, can't even say I miss you back over the fuckin' text
 Every time you slept over my pad, you over fuckin' slept
 Toni Braxton told me to breathe again, don't hold no fuckin' breath
 Gave your ass directions to my heart, and your ass busted left
 Climbin' up the money tree, the tree without the lover's nest
 'Cause lovebirds are some busy bees, you fuck around, you stung again
 And you didn't leave in your underwear 'cause she didn't arrive in no underwear
 Look, baby, even lovers burn to nothin', that be clear
 I can't see the forest from the tree, the water from the sea
 And I was starting to believe, but it's a forest full of dreams
 I smoke bars full of weed, and call it what I see
 And when you leave, I hope you know you bring this forest to his leaves

I'm fucking lonely
 Leave me fucking lonely
 Leave me fucking lonely
 Leave me fucking lonely
