

# Demi Lovato - Lonely (feat. Lil Wayne)

Tom: D

(forma dos acordes no tom de C )  
 Capotraste na 2ª casa

He felt just like you  
 His arms, his lips, his promises  
 Were just as smooth  
 His grip, it fit though I admit that only you  
 Could make me feel the way you do  
 Though you know love is blind  
 And he just caught my eye

You know me  
 And honestly I'm better without ya  
 Don't you got me checking on my phone by the hour  
 Baby, I'm hoping and praying  
 My knees weak, I'm shaking  
 'Cause you know that I always needed saving

Now I'm fucking lonely  
 And you didn't want me  
 Trying to show me that you didn't own me  
 But all you do is leave me fucking lonely  
 Knees on the concrete  
 Cut up and bleeding for no Goddamn reason  
 But all you do is leave me fucking lonely  
 Leave me fucking lonely  
 Leave me fucking lonely  
 Leave me fucking lonely

The month was June  
 The smoky sun, our fatal run  
 It ended too soon  
 With tears and proof  
 'Cause all the carpets stained with juice  
 Blood on my shoes  
 And you know love is blind  
 I can see it in your eyes

You know me  
 And honestly I'm better without ya  
 Don't you got me checking on my phone by the hour  
 Baby, I'm hoping and praying  
 My knees weak, I'm shaking  
 'Cause you know that I always needed saving

Now I'm fucking lonely  
 And you didn't want me  
 Trying to show me that you didn't own me  
 But all you do is leave me fucking lonely  
 Knees on the concrete  
 Cut up and bleeding for no Goddamn reason  
 But all you do is leave me fucking lonely  
 Leave me fucking lonely  
 Leave me fucking lonely  
 Leave me fucking lonely

Bitch, can't even say I miss you back over the fuckin' text  
 Every time you slept over my pad, you over fuckin' slept  
 Toni Braxton told me to breathe again, don't hold no fuckin' breath  
 Gave your ass directions to my heart, and your ass busted left  
 Climbin' up the money tree, the tree without the lover's nest  
 'Cause lovebirds are some busy bees, you fuck around, you stung again  
 And you didn't leave in your underwear 'cause she didn't arrive in no underwear  
 Look, baby, even lovers burn to nothin', that be clear  
 I can't see the forest from the tree, the water from the sea  
 And I was starting to believe, but it's a forest full of dreams  
 I smoke bars full of weed, and call it what I see  
 And when you leave, I hope you know you bring this forest to his leaves

I'm fucking lonely  
 Leave me fucking lonely  
 Leave me fucking lonely  
 Leave me fucking lonely
