

Demi Lovato - Magical

Tom:

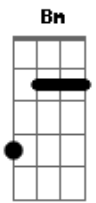

Intro: Bm

A curse that sharers had, thought i'd break my back
 But a curse that sharers had, now i know that's a fact
 But everytime i'm slippin' down there
 You say something so profound that
 I feel my eyes start to water and watching closely
 Hoping to learn something, yeah

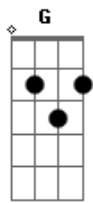

But nothing breaks your spirit
 You're a creature built for giving
 You're a teacher and you're teaching me
 A way to feel these feelings, though
 Nothing seems to scare you
 You're so magical
 So magical could be my love

Your the solution right here to my oldest truths
 You're here and i lured in ocean
 And skies are grew you're here there and everywhere
 Oh, you're everyone, you ever cared
 But nothing breaks your spirit
 You're a creature built for giving
 You're a teacher and you're teaching me
 A way to feel these feelings, though
 Nothing seems to scare you
 You're so magical
 So magical could be my love
 Nothing seems to scare you
 You're so magical
 So magical could be --- my love
