

Demi Lovato - Me, Myself And Time

Tom: G

^G I can make the ^C rain stop, if I ^{Em} wanna
 Just by my ^D attitude
^G I can take my ^C laptop, record a ^{Em} snapshot
 And change your ^D point of view

^{Am} I just entered this brand new ^C world
 (^C)
 And I'm so open ^{Em} hearted
^{Am} I know I've got a long way to go
 but I'm ^D , I'm just getting started

(refrão)
^G I'm over my head and
^C I know it, I know it
^{Em} I'm doin' my best
^D Not to show it, to show it

^G Whatever it takes to be
^C What I was meant to be
^{Em} I'm gonna try

^G 'Cause I'm Living the dream
^C And I know it, I know it
^{Em} I'm trying my best
^D Not to blow it, to blow it
^G And I know everything will be fine
^{Em} ^D ^G With me, myself, and time

^C ^{Em} ^D And time... (7x)

^G I go where life takes me
^C but some days it makes me
^{Em} Want to change my direction
^D Sometimes it gets lonely but I know
^G ^C that it's only a matter of mind perception

^{Am} I just entered this brand new ^C world
 (^C)
 And I'm so open ^{Em} hearted
^{Am} I know I've got a long way to go
 but I'm ^D , I'm just getting started
