

Demi Lovato - My Love Is Like a Star

Tom: F
Intro: F Dm C Bb Bbm

F
The space in between us
Starts to feel like the worlds apart Dm
Like I'm going crazy C
And you say it's raining in your heart Bb Bbm
F
You're telling me nobody's there
To dry up the flood Dm
Oh but that's just crazy C
Cause baby I told ya I'm here for good Bb Bbm

Refrão:
F
My love is like a star, yeah
You can't always see me Dm
But you know that I'm always there
C
When you still unshining
Take it as mine Bb
And remember I'm always near Bbm
F
If you see a comet
Baby I'm on it Dm
Making my way back home
C
Just follow the glow yeah
It wont be long Bb
Just know that you're not alone Bbm

F
I tried to build the walls
To keep you safe when I'm not around Dm
But as soon as I'm away from you C
You say they come tumbling down Bb Bbm
F
But it's not about the time
That we don't get to spend together Dm
C
It's about how strong our love is
When I'm gone and it feels like forever Bb Bbm

Refrão:

Just follow the glow yeah
It wont be long Bb
Just know that you're not alone Bbm
Dm A
You say that time away makes your heart grow up
C Dm
But I can stay just to prove you wrong
Oh look at how far we've come Bb
Don't you know
Don't know that you're the one Bbm Bb
