

Demi Lovato - Nightingale

Tom: A

I can't sleep tonight, wide awake and so confused
 Everything is in line, but I am bruised
 I need a voice to echo, I need a light to take me home
 I kinda need a hero, is it you?
 I never see the forest for the trees, I could really use your melody

Baby I'm a little blind, I think it's time for you to find me

Can you be my Nightingale, sing to me I know you're there
 You could be my sanity, bring me peace, sing me to sleep
 Say you'll be my Nightingale

Somebody speak to me, cause im feeling like hell
 Need you to answer me, I'm overwhelmed
 I need a voice to echo, I need a light to take me home
 I need a star to follow, I dont know

I never see the forest for the trees, I could really use your melody

Baby I'm a little blind, I think it's time for you to find me

Can you be my Nightingale, sing to me I know you're there
 You could be my sanity, bring me peace, sing me to sleep
 Say you'll be my Nightingale

I dont know what i'd do without you

Your words are like a whisper, come through?

As long as you're with me here tonight, I'm good

Can you be my Nightingale, feel so close I know you're there
 Oooooooooooh nightingale

Sing to me I know you're there

You could be my sanity, bring me peace, sing me to sleep

Say you'll be my Nightingale
