

# Demi Lovato - Nightingale

Tom: A

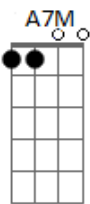

I can't sleep tonight, wide awake and so confused  
 Everything is in line, but I am bruised  
 I need a voice to echo, I need a light to take me home  
 I kinda need a hero, is it you?  
 I never see the forest for the trees, I could really use your melody  
 Baby I'm a little blind, I think it's time for you to find me  
 Can you be my Nightingale, sing to me I know you're there  
 You could be my sanity, bring me peace, sing me to sleep  
 Say you'll be my Nightingale  
 Somebody speak to me, cause im feeling like hell  
 Need you to answer me, I'm overwhelmed  
 I need a voice to echo, I need a light to take me home  
 I need a star to follow, I dont know

I never see the forest for the trees, I could really use your melody  
 Baby I'm a little blind, I think it's time for you to find me  
 Can you be my Nightingale, sing to me I know you're there  
 You could be my sanity, bring me peace, sing me to sleep  
 Say you'll be my Nightingale  
 I dont know what i'd do without you  
 Your words are like a whisper, come through?  
 As long as you're with me here tonight, I'm good  
 Can you be my Nightingale, feel so close I know you're there  
 Oooooooooooh nightingale  
 Sing to me I know you're there  
 You could be my sanity, bring me peace, sing me to sleep  
 Say you'll be my Nightingale
