

# Demi Lovato - OK Not To Be OK (feat. Marshmello)

tom:

Intro: A Dbm B E

Feeling like a drop in the ocean  
 But don't nobody notice  
 Maybe it's all just in your head  
 Feeling like you're trapped in your own skin  
 And now your body's frozen  
 Broken down, you've got nothing left  
 When you're high on emotion  
 And you're losing your focus  
 And you feel too exhausted to pray  
 Don't get lost in the moment  
 Or give up when you're closest  
 All you need is somebody to say

When you're down and you feel ashamed  
 It's okay not to be okay  
 Feeling like you're lost in illusion  
 And lately you're secluded  
 Thinking you'll never get your chance

Feeling like you've got no solution  
 No control, it's out of your hands  
 When you're high on emotion  
 And you're losing your focus  
 And you feel too exhausted to pray  
 Don't get lost in the moment  
 Or give up when you're closest  
 All you need is somebody to say

When you're down and you feel ashamed  
 It's okay not to be okay  
 When you're high on emotion  
 And you're losing your focus  
 And you feel too exhausted to pray Aah  
 Don't get lost in the moment  
 Or give up when you're closest  
 All you need is somebody to say  
 When you're down and you feel ashamed  
 When you feel ashamed
