

Demi Lovato - OK Not To Be OK (feat. Marshmello)

tom:

Intro: A Dbm B E

Feeling like a drop in the ocean
 But don't nobody notice
 Maybe it's all just in your head
 Feeling like you're trapped in your own skin
 And now your body's frozen
 Broken down, you've got nothing left
 When you're high on emotion
 And you're losing your focus
 And you feel too exhausted to pray
 Don't get lost in the moment
 Or give up when you're closest
 All you need is somebody to say

When you're down and you feel ashamed
 It's okay not to be okay
 Feeling like you're lost in illusion
 And lately you're secluded
 Thinking you'll never get your chance

Feeling like you've got no solution
 No control, it's out of your hands
 When you're high on emotion
 And you're losing your focus
 And you feel too exhausted to pray
 Don't get lost in the moment
 Or give up when you're closest
 All you need is somebody to say

When you're down and you feel ashamed
 It's okay not to be okay
 When you're high on emotion
 And you're losing your focus
 And you feel too exhausted to pray Aah
 Don't get lost in the moment
 Or give up when you're closest
 All you need is somebody to say
 When you're down and you feel ashamed
 When you feel ashamed
