

Demi Lovato - Quiet

Tom: C

Riff:

(Riff)
 I hear what you're not saying
 It's driving me crazy
 It's like we stopped breathing in this room
 We're both the last to believing
 I know what you're thinking
 I wish you'd make your move

Refrão:
 (Riff) It's much too quiet in here
 I wanna disappear

I'm hearing myself thinking too clear
 (Riff) It's too quiet in here
 Make it all go away

Why can't we break the silence, finally?

(Riff) It's like you know where I'm going
 You follow me home but I never invite you inside
 I see what you're not showing
 I've got you alone but

The air is so thin it's weird

Refrão:
 (Riff) It's much too quiet in here

I wanna disappear
 I'm hearing myself thinking too clear
 (Riff) It's too quiet in here

Make it all go away
 Why can't we break the silence, finally?

Don't stop don't stop telling me goodnight

Just promise you'll kiss me goodbye

One day it's over

Don't tell me you're not gonna try

These tentions building in my mind

I wanna scream and I know why

Make it all go away

It's so quiet in here

Acordes
