

# Demi Lovato - Shouldn't Come Back

Tom: G

See you calling again,  
I don't want to pick up. no, oh.  
I've been laying in bed  
Probably thinking to much. oh, oh.

(PRE-CHORUS)

Sorry I'm not sorry for the times  
I don't reply,  
you know the reason why.

(CHORUS)

Maybe you shouldn't come back,  
Maybe you shouldn't come back to me.  
Tired of being so sad,  
Tired of getting so mad baby.  
Stop right now, you'll only let me down.  
Maybe you shouldn't come back,  
Maybe you shouldn't come back to me.

Trying hard to forget,  
Should be easier than this. oh, oh.  
And all the birthdays you've missed  
I was only a kid. oh, oh.

(PRE-CHORUS)

Sorry I'm not sorry for the times  
I don't reply,  
you know the reason why.

(CHORUS)

Maybe you shouldn't come back,  
Maybe you shouldn't come back to me.  
Tired of being so sad,  
Tired of getting so mad baby.  
Stop right now, you'll only let me down.  
Maybe you shouldn't come back,  
Maybe you shouldn't come back to me.

Sorry I'm not sorry for the times

(CHORUS)

Maybe you shouldn't come back,  
Maybe you shouldn't come back to me.  
Tired of being so sad,  
Tired of getting so mad baby.  
Stop right now, you'll only let me down.  
Maybe you shouldn't come back,  
Maybe you shouldn't come back to me.
