

# Demi Lovato - Shut Up And Love Me

Tom: A

We were fine this morning  
 Now i feel like i'm dreaming  
 You tried to tell me what's happened  
 But I can't hear when you're screaming  
  
 No more I'm sorrys  
 I don't have the time  
 You break up to make up  
 So spare me the lies  
  
 Shut up and love me  
 Cause you've already got me  
 I don't need words  
  
 I need time in your arms  
 I need Love From You Baby  
  
 You know is not right  
 We could have been smiling  
 You should have seen the light inside my eyes  
 And I shouldn't have been crying  
  
 Don't say you need me  
 Don't promise to change  
 I know that you mean it  
 There's nothing to say

Shut up and love me  
 Cause you've already got me  
 I don't need words  
  
 I need time in your arms  
 I need Love From You Baby  
  
 Shut up and love me  
 Cause you've already got me  
 I don't need words  
  
 And as much as it hurts  
 I need love from you, baby  
  
 And how can you be  
 Too blind to see  
  
 The girl who stares before you  
 Who wants you more than anything  
 Shut up and love me  
 Cause you've already got me  
 I don't need words  
  
 I need time in your arms  
 I need Love From You Baby  
  
 Just shut up and love me  
 Cause you've already got me  
 I don't need words  
  
 I need time in your arms  
 I need Love From You Baby
