

Demi Lovato - Solo

Tom: C

(intro) C

You speak to me

and in your words i hear the melody
but in the twilight it's so hard to see
what's wrong for me

(G)

i cant resist

until you give the truth a little twist
as if you're gonna get away with this
you're not sorry

i can't believe i fell for this
i fell through the hole

down at the bottom of your soul
didn't think you could go so low
look at what you've done

you're losing me here's what you've won?
got me planning to go solo
(solo)

you sing to me

too bad you couldn't even stay on key
if your life is such a mystery

why didn't you just stick to acting
oh

here we go again

you couldn't find my number until when
you thought that you could get to my best friend
without a script your game is lacking

i can't believe i fell for this
i fell through the hole
down at the bottom of your soul
didn't think you could go so low
look at what you've done

you're losing me here's what you've won?
got me planning to go solo

(solo)

i'd rather go out to a party alone
than have to walk around with you on my arm
now that i'm proud to admit that we're done
good luck trying to find me...

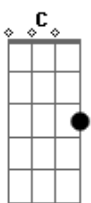

(solo) C G Am F

'cause i didn't think you could go so low
look at what you've done

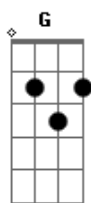

you're losing me here's what you've won?
got me planning to go solo
(solo)

'Cause you've got me planning to go solo
solo
