

Demi Lovato - Stone Cold

Tom: G

Stone cold, stone cold
 You see me standing, but I'm dying on the floor
 Stone cold, stone cold
 Maybe if I don't cry, I won't feel anymore

Refrão:

Stone cold, baby
 God knows I tried to feel
 Happy for you
 Know that I am, even if I
 Can't understand, I'll take the pain
 Give me the truth, me and my heart
 We'll make it through
 If happy is her, I'm happy for you

Verso:

Stone cold, stone cold
 You're dancing with her, but I'm staring at my phone

Stone cold, stone cold
 I was your amber, but now she's your shade of gold

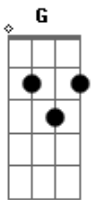

Refrão:

Stone cold, baby
 God knows I tried to feel
 Happy for you
 Know that I am, even if I
 Can't understand, I'll take the pain
 Give me the truth, me and my heart
 We'll make it through
 If happy is her, I'm happy for you

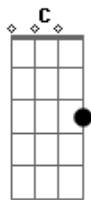

Ponte:

Don't wanna be stone cold, stone
 I wish I could mean this but here's my goodbye
 Oh, I'm happy for you
 Know that I am, even if I
 Can't understand
 If happy is her, I'm happy for you
