Intro: 2x: G Am C

Ohh, ohh, whoa

I don't know why, I don't know why

I'm so afraid, so afraid.

And I don't know how, I don't know how

To fix the pain, fix the pain.

We're livin' a lie, livin' a lie

This needs to change, need to change.

We're out of time, we're out of time,

And it's still the same.

We can't stop the world,

But there's so much more that we could do.

You can't stop this girl from falling more in love with you.

You said 'nobody has to know?', Give us time to grow, and take it slow.

But I'd stop the world

If it'd finally let us be alone.

I'm hearing the noise, hearing the noise

From all around, from all around

I'm on the edge, I'm on the edge

Of breaking down, breaking down.

Like Bonnie and Clyde, Let's find a ride

And ditch this town.

To keep it alive, keep it alive

Don't make a sound.

We can't stop the world,

But there's so much more that we could do.

You can't stop this girl from falling more in love with you.

You said 'nobody has to know?', Give us time to grow, and take it slow.

But I'd stop the world

If it'd finally let us be alone.

Let us be I?

Never wanna take that final look

I'll turn another page

Won't close the book.

We can't stop the world,

But there's so much more that we could do.

You can't stop this girl from falling more in love with you.

You said 'nobody has to know?', Give us time to grow, and take it slow.

But I'd stop the world

If it'd finally let us be alone.

Let us be alone.

Let us be alone...

Alone, ooh, ohh, weee-ah. Alone.
