

Demi Lovato - Stop The World

Tom: Gb

(com acordes na forma de Capotraste na 6ª casa Intro: 2x: G Am C)

Ohh, ohh, whoa
 I don't know why, I don't know why
 I'm so afraid, so afraid.
 And I don't know how, I don't know how
 To fix the pain, fix the pain.
 We're livin' a lie, livin' a lie
 This needs to change, need to change.
 We're out of time, we're out of time,
 And it's still the same.
 We can't stop the world,
 But there's so much more that we could do.
 You can't stop this girl from falling more in love with you.
 You said 'nobody has to know?, Give us time to grow, and take it slow.
 But I'd stop the world
 If it'd finally let us be alone.
 I'm hearing the noise, hearing the noise
 From all around, from all around
 I'm on the edge, I'm on the edge
 Of breaking down, breaking down.
 Like Bonnie and Clyde, Let's find a ride

And ditch this town.
 To keep it alive, keep it alive
 Don't make a sound.
 We can't stop the world,
 But there's so much more that we could do.
 You can't stop this girl from falling more in love with you.
 You said 'nobody has to know?, Give us time to grow, and take it slow.
 But I'd stop the world
 If it'd finally let us be alone.
 Let us be I?
 Never wanna take that final look
 I'll turn another page
 Won't close the book.
 We can't stop the world,
 But there's so much more that we could do.
 You can't stop this girl from falling more in love with you.
 You said 'nobody has to know?, Give us time to grow, and take it slow.
 But I'd stop the world
 If it'd finally let us be alone.
 Let us be alone.
 Let us be alone...
 Alone, ooh, ohh, weee-ah. Alone.
