(intro 2x) Em Am

(verse 1)

Em Am  
The night is getting darker

Grip it tighter

don't let it go

(chorus 1)

Em Am  
Passions taking over skies

C Cm  
Leaving sand behind

Em  
for them to choke on

Em  
They'll try to speak

Am  
Negatively about us

C  
But they cant

Cm Em  
say another word

Am  
They'll realize

C Cm  
Jealousy has taken

Em  
over their minds

Am  
and their words

try to break me down

Cm (hold)  
But what they only

makes us stronger

A little closer baby

I wanna see you standing  
Next to me
