

# Demi Lovato - Tell Me You Love Me

Tom: Gb

(com acordes na forma de F )

Capostrate na 1ª casa

Oh no, here we go again  
 Fighting over what I said  
 I'm sorry, yeah I'm sorry  
 Bad at love, no, I'm not good at this  
 But I can't say I'm innocent  
 Not hardly, but I'm sorry  
 And all my friends, they know and it's true  
 I don't know who I am without you  
 I got it bad, baby  
 Got it bad  
 Oh, tell me you love me  
 I need someone on days like this, I do  
 On days like this  
 Oh, tell me you love me  
 I need someone on days like this, I do  
 On days like this  
 Oh, can you hear my heart say  
 Oohh, oh oh, oohh, oh oh  
 No, you ain't nobody 'til you got somebody  
 You ain't nobody 'til you got somebody  
 And I hope I never see the day  
 That you move on and be happy without me  
 Without me  
 What's my hand without your heart to hold?  
 I don't know what I'm living for  
 If I'm living without you  
 And all my friends, they know and it's true  
 I don't know who I am without you  
 I got it bad, baby  
 Got it bad

Oh, tell me you love me  
 I need someone on days like this, I do  
 On days like this  
 Oh, tell me you love me  
 I need someone on days like this, I do  
 On days like this  
 Oh, can you hear my heart say  
 Oohh, oh oh, oohh, oh oh  
 You ain't nobody 'til you got somebody  
 You ain't nobody 'til you got somebody  
 My heart's like  
 Oohh, oh oh, oohh, oh oh  
 No, you ain't nobody 'til you got somebody  
 You ain't nobody 'til you got somebody  
 Everything I need  
 Is standing in front of me  
 I know that we will be alright, alright, yeah  
 Through the ups and downs  
 Baby, I'ma stick around  
 I promise we will be alright, alright  
 Oh, tell me you love me  
 I need someone on days like this, I do  
 On days like this  
 Oh, tell me you love me  
 I need someone on days like this, I do  
 On days like this  
 Oh, can you hear my heart say  
 Oohh, oh oh, oohh, oh oh  
 You ain't nobody 'til you got somebody  
 You ain't nobody 'til you got somebody  
 My heart's like  
 Everything I need  
 Is standing in front of me  
 I know that we will be alright, alright, yeah
