

# Demi Lovato - Tell Me You Love Me

Tom: E

m (forma dos acordes no tom de Ebm )  
Capostrate na 1ª casa

Oh no, here we go again  
Fighting over what I said  
I'm sorry, yeah I'm sorry  
Bad at love, no, I'm not good at this  
But I can't say I'm innocent  
Not hardly, but I'm sorry

And all my friends, they know and it's true  
I don't know who I am without you  
I got it bad, baby  
Got it bad

Oh, tell me you love me  
I need someone on days like this, I do  
On days like this  
Oh, tell me you love me  
I need someone  
On days like this, I do  
On days like this  
Oh, can you hear my heart say  
Ooohhhh, ooh

No, you ain't nobody 'til you got somebody  
You ain't nobody 'til you got somebody

And I hope I never see the day  
That you move on and be happy without me  
Without me  
What's my hand without your heart to hold?  
I don't know what I'm living for  
If I'm living without you

And all my friends, they know and it's true  
I don't know who I am without you  
I got it bad, baby  
Got it bad

Oh, tell me you love me  
I need someone on days like this, I do  
On days like this  
Oh, tell me you love me  
I need someone  
On days like this, I do  
On days like this  
Oh, can you hear my heart say  
Ooohhhh, ooh

No, you ain't nobody 'til you got somebody  
You ain't nobody 'til you got somebody  
My heart's like  
Oooh, ooh

No, you ain't nobody 'til you got somebody  
You ain't nobody 'til you got somebody

Everything I need  
Is standing in front of me  
I know that we will be alright, alright, yeah  
Through the ups and downs  
Baby, I'ma stick around  
I promise we will be alright, alright

Oh, tell me you love me  
I need someone on days like this, I do  
On days like this  
Oh, tell me you love me  
I need someone  
On days like this, I do  
On days like this  
Oh, can you hear my heart say  
Ooohhhh, ooh

No, you ain't nobody 'til you got somebody  
You ain't nobody 'til you got somebody

My heart's like  
Oooh, ooh  
Everything I need  
Is standing in front of me  
I know that we will be alright, alright, yeah
