

Demi Lovato - The Way You Don't Look At Me

tom:
 E (forma dos acordes no tom de C)
 Capotraste na 4ª casa
 Intro: C G
 Am G

[Primeira Parte]

Hmm, I've lost ten pounds in two weeks
 'Cause I told me I shouldn't eat
 I gained a new vice way more than twice
 I've slept on bathroom floors
 I lost my temper and locked all my fingers
 Looking for answers there aren't really answers for

[Pré-Refrão]

And I've been to hell and back
 But this isn't that

[Refrão]

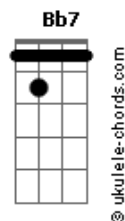

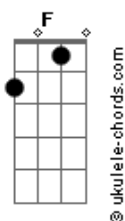

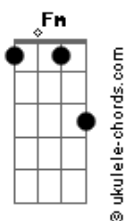

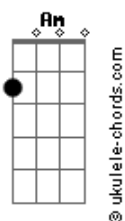

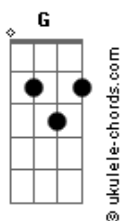

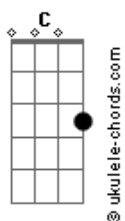

'Cause when you say nothing
 It's much worse than things I've overcome and
 This hurts harder than my time in heaven
 You don't think I see

The way
 You don't look at me

[Segunda Parte]

Turned off the TV
 I close the windows
 So tell me what's on your mind
 That mak?s you so selective
 I'm not afraid of natural disast?rs

Acordes

But I'm so scared if I undress
 that you won't love me after

[Pré-Refrão]

And I've been to hell and back
 But this isn't that

[Refrão]

'Cause when you say nothing
 It's much worse than things I've overcome and
 This hurts harder than my time in heaven
 You don't think I see

The way
 You don't look at me

The way you don't look at me
 The way you don't look at me

[Ponte]

Yeah, I've been to hell and back
 But this isn't that
 As a matter of fact
 As a matter of fact

[Refrão]

'Cause when you say nothing
 It's much worse than things I've overcome and
 This hurts harder than my time in heaven
 You don't think I see

The way
 You don't look at me
