Tom: **B**
Intro: **Abm Db Gb Db** (x2)

Verse 1:
Abm **Eb** **Gb Eb**
You fled from medication 'cause it only causes pain
Abm **Eb** **Gb Eb**
You won't go to the doctor he keeps calling you insane
Abm **Eb** **Gb Eb**
You're lost even when you're going the right way
Dbm
You mean the world to me even
E
though you might be crazy

Chorus:
B **Ebm** **E**
And you said we wouldn't make it
Gb **B**
But look how far we've come
Ebm **E**
For so long my heart was breaking
Gb **Eb** **Abm**
And now we're standing strong
Eb
The things you say you make
Gb **E**
me fall harder each day
Dbm
You're a trainwreck
E
But I wouldn't love
Abm
you if you changed!
Eb Gb Db
Yeah! Ohh yeah!

Verse 2:
Abm
I shook your hand
Eb **Gb Db**
And you pulled me right away
Abm
You asked me to dance and
Eb **Gb Db**
instead I said, "No way!"
Abm **Eb**
Inside I was dying to give it
Gb **Db**

a try and you begged me so I stayed
Dbm
I knew you were
E
different from the way I caved

(Repeat chorus)

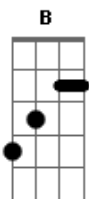

Lead Guitar Solo: **Abm Eb Gb Db**

Bridge:
E **Gb**
We are so different
B Gb E
But opposites attract
E **Gb**
I hope you know me
B Gb Abm
And that I never look back
Dbm
You're one of a kind!
E
And no one can change
Gb (hold)
this song of mine Oh!

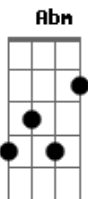

(Repeat Chorus)

Outro:
B **Ebm**
... One more thing I thought I'd shared
E **Gb**
with someone special,
B
I'm falling like
Ebm **E** **Gb**
I've never fell before
Abm
It's funny you
Eb
said we'd never
Gb
make it but look
Db
how far we've come
Dbm
You're a trainwreck
E **Gb** **B** (hold)
But with you, I'm in love
