Verse 1:  
 Abm Eb Gb Eb  
 You fled from medication 'cause it only causes pain  
 Abm Eb Gb Eb  
 You won't go to the doctor he keeps calling you insane  
 Abm Eb Gb Eb  
 You're lost even when you're going the right way  
 Dbm  
 You mean the world to me even  
 E  
 though you might be crazy

Chorus:  
 B Ebm E  
 And you said we wouldn't make it  
 Gb B  
 But look how far we've come  
 Ebm E  
 For so long my heart was breaking  
 Gb Eb Abm  
 And now we're standing strong  
 Eb  
 The things you say you make  
 Gb E  
 me fall harder each day  
 Dbm  
 You're a trainwreck  
 E  
 But I wouldn't love  
 Abm  
 you if you changed!  
 Eb Gb Db  
 Yeah! Ohh yeah!

Verse 2:  
 Abm  
 I shook your hand  
 Eb Gb Db  
 And you pulled me right away  
 Abm  
 You asked me to dance and  
 Eb Gb Db  
 instead I said, "No way!"  
 Abm Eb  
 Inside I was dying to give it  
 Gb Db

a try and you begged me so I stayed  
 Dbm  
 I knew you were  
 E  
 different from the way I caved

(Repeat chorus)

Lead Guitar Solo: Abm Eb Gb Db

Bridge:  
 E Gb  
 We are so different  
 B Gb E  
 But opposites attract  
 E Gb  
 I hope you know me  
 B Gb Abm  
 And that I never look back  
 Dbm  
 You're one of a kind!  
 E  
 And no one can change  
 Gb (hold)  
 this song of mine Oh!

(Repeat Chorus)

Outro:  
 B Ebm  
 ... One more thing I thought I'd shared  
 E Gb  
 with someone special,  
 B  
 I'm falling like  
 Ebm E Gb  
 I've never fell before  
 Abm  
 It's funny you  
 Eb  
 said we'd never  
 Gb  
 make it but look  
 Db  
 how far we've come  
 Dbm  
 You're a trainwreck  
 E Gb B (hold)  
 But with you, I'm in love
