Verse 1:
Db
Come as you are
You're a super star
World in you're pocket
And you know it
Db
We can feel that
Beat running
Through you're feet
Hearts racing fast
You're rocking rolling
All that you need is
The music to take
You to some other place
Where you know you belong

Chorus:
Bbm Gb
Raise you hands up
In the air and scream
Were finding out
Voice following our dreams
We rock We rock
We rock We rock on
Nobody in the world's gonna
Bring us down
The louder we go
Well the better we sound
We rock We rock

We rock We rock on

Post Chorus:
Db
We rock We rock
We rock on
B Gb
We rock We rock
We rock on
Verse 2:
Db
We're finally letting go
Losing all control
Won't stop ourselves
Cause we love it
Db
We're not afraid to be
Everything you see
No more hiding out
We're gonna own it
All that you need is the music
To take you to some other place
Where you know you belong

(Repeat Chorus)

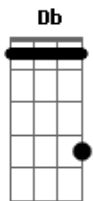

Bridge:
Bbm
Got the music in our souls
And it's the thing we want the most
It's picks up when we fall down
And turns our world around

Cause every day
Cause every night
