

# Demi Lovato - Work Of Art

Tom: Ab

Riff:

(Riff)  
 Everyday is like a blank canvas  
 You know you can paint it anyway you want it  
 You can draw black clouds, you can make the sun shine  
 Color in a rainbow, or use black and white

Bb Ab Bb Ab  
 Open up your eyes and, your imagination

Refrão:  
 Come on let's write a song, a little poetry

Take a photograph, let's make some memories  
 You can make it anything that you want it to be  
 If you follow your heart, Life is a work of art

(Riff)  
 Every night's like looking at a dark screen  
 You're never too young or too old to dream  
 You can make your fantasies into a reality  
 Cause you're creating your own masterpiece

Bb Ab Bb Ab  
 Close your eyes and dream it, seeing is believing

Refrão 2x:

Come on let's write a song, a little poetry  
 Take a photograph, let's make some memories  
 You can make it anything that you want it to be  
 If you follow your heart, Life is a work of art

Trying to simplify into Philosophy  
 Turn the star into a Galaxy  
 Make a little noise into a symphony  
 You're creating a masterpiece (Slow)

(Riff)  
 Come on let's write a song, a little poetry  
 Take a photograph, let's make some memories  
 You can make it anything that you want it to be  
 If you follow your heart, Life is a work of art

Refrão 2x:

Come on let's write a song, a little poetry  
 Take a photograph, let's make some memories  
 You can make it anything that you want it to be  
 If you follow your heart, Life is a work of art
