

DEMIAN (K-pop) - One More Night

tom:
E (forma dos acordes no tom de C)
Capostrate na 4ª casa

[Primeira Parte]

If I keep this
If I keep this in mind, instead
Of telling you what I've meant
I won't be so fine
I'm settling
I am good with all tides and waves
But held back by the bad incense
Growing from flaws

[Pré-Refrão]

Oh I thought I turned into
A sort of an adult mind
What I did was scribble us
To tell myself I'm fine
I'm getting know about of me, myself, I
He needs instead

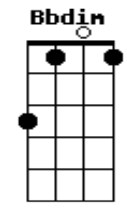

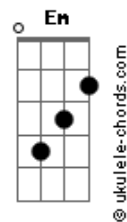

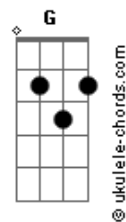

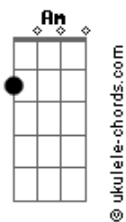

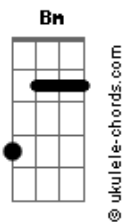

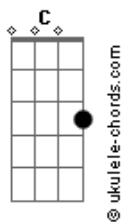

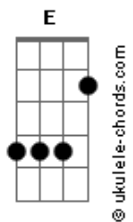

[Refrão]

One more night, for all our lies
One more say, to close our days
If I'd be 'him' and you'd be 'her'
It won't be hard, the last
One more day, for all our times
I know we're gone
But 'gones' are priceless
Be brightly sad, leave this mess
Warm my name, the last

(C Bm Am Bm)

[Segunda Parte]

Acordes

As you said
I draw you as a creep, me a freak
Should we keep all these lies remain
It's a permanent fight
Oh I thought I turned into
A sort of an adult mind
What I did was scribble us
To tell myself I'm fine
I'm getting know about of me, myself, I
He needs instead

[Refrão]

One more night, for all our lies
One more say, to close our days
If I'd be 'him' and you'd be 'her'
It won't be hard, the last
One more day, for all our times
I know we're gone

But 'gones' are priceless
Be brightly sad, leave this mess
Warm my name, the last

One more night, for all our lies
One more say, to close our days
If I'd be 'him' and you'd be 'her'
It won't be hard, the last
One more day, for all our times
I know we're gone

But 'gones' are priceless
Be brightly sad, leave this mess
Warm my name, the last. The last
