

Demon Hunter - Fire To My Soul

Tom: **Db**

To all those Hunters out there, The Hunt Continues

tuning: standard
 album: Triptych
 PM=
 b= bend

okay i dont know wat makes that wierd sound in the beginnin,
 so ill just start from wat i kno is guitar
 Intro: (0:10-0:36)

on the last time you repeat this, dont hit the 2's and 3's
 after the last 4, just let the last 4 ring

pre-verse (0:36-0:42)
 15151515151515151515151515151516-----|

on this part strumm this as fast as you can. BYT those are
 15's and 16's not ones and fives

verse1 (0:42-1:12)

pre-chorus1 (1:12-1:39)

on the last time you repeat this,dont hit the second 6.
 instead strum 7 fifteen times

chorus1 (1:39-1:54)

verse2 (1:54-2:06)
 -----|

```

-----|
-----|
-0-0-0-0- (x32) -/2--/2--/2--2-2-2-2-3-|
-0-0-0-0-      -/2--/2--/2--2-2-2-2-3-|
-0-0-0-0-      -----|
.....|
  
```

pre-chorus2 (2:06-2:33)

same rule applies here as it did for the first pre-chorus

chorus2 (2:33-3:00)

okay now, this part is played be the keyboard i think, but if
 you want to play along
 then heres wat u play

bridge (3:00-3:24)

solo (3:24-3:36)

this solo is pretty easy, but you have to do it very fast

outro (3:36-4:03)

once again on the last time you reapeat this drop the 2's and
3's from the last "4".
 when you reach the last "4" slide it to the open string to
 finish the song.
 well i hope you enjoyed my tab. its my first tab eva! give me
 any tips our suggestions
 my tab at WhiteS. **THE HUNT CONTINUES!**
