

Demônios da Garoa - Pandeiro de Prata

Tom: F

(intro)

Padabadabada- padabadabada- padabadavada

Ele nasceu no morro

Não sabe nem em que data

Até pensava que a lua

Pendurada no céu

Fosse um pandeiro de prata

Foi na batida do samba

Que ele aprendeu seus primeiros passos

Mas a vida foi má e ele cresceu

Calejando seus braços

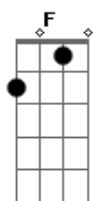

Mas que importa que tudo

Lhe traga dissabores

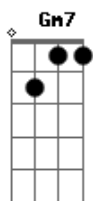

Se ele tem o samba, se ele tem o samba

Pra cantar amores
