Tom: C

Intro:

Coro: A E7 D7 A E

Am G
 É rotina da vida, tanta gente se matar,
 F E7
 não ver os raios do sol, o dia acordar
 Am G
 É rotina da vida, tanto sonho que espera,
 F E7
 um novo amanhã, nessa selva de pedra

Dm Am
 É rotina a gente vê, tamanha ambição,

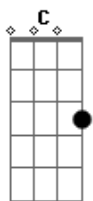

B7 E7(9b)
 e a falta de deus no coração

Dm Am
 E guardar tanto ouro, que até desacata,
 B7 E7
 a lua que chora, lágrimas de prata

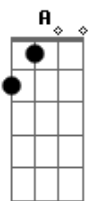

A E7
 O bom dessa vida é a gente se amar,
 D7 E7 A
 sem medo do escuro ver o sol raiar, tanta claridade
 A E7
 Se apegar nas promessas que deus nos fez,
 D E7 A
 abrir um sorriso com sensatez e felicidade

[Final] [3x]
 D7 E7 A A
 ...e felicidade
