Sad voices, they're calling

Our precious girl she can't be gone

How bitter this morning, When daddy's darling

Went out and started her day

(Batida)

Wasn't there a dream, last night

Like a spring never ending

Still the water runs clear through my mind

On the field I can see a fiddler

The fiddler on the green

And a saaaad boy

I took him too early

Would you mind

Would you mind

Would you mind

If I take you

(Dedilhado)
[interlúdio/solo]

To be with you
To be with you
To be with you
To be with you

(Dedilhado)

The sun seemed bright, The air was clear

The air was clear

A trick of light, Turned red into green

She saw the light

Her face was pale, Her body smashed

Her beauty's gone

(Batida)

Isn't it a shame

The reaper said

He is quite alone here

And still waiting for you

Oh I really did fail for the first time

Spoke the fiddler, poor old fiddler

The fiddler on the green

The fiddler on the green

It would be nice ...

[Take my hand!]

[Distortion kicks in]

Just hold my hand
I'll take you there
Your pain will go away
Ahh

(Guitarra Base - última parte)
