Lavadeiras do quintal lavem as almas cansadas
 Lavem as almas pregadas em silencio no varal

Lavem meu coração em sangue
 limpem as gotas no mangue a lama do litoral

Lavadei.....ras lavem as manchas do mundo
 tirando velhos disfarces e clareando o seu fundo

Lavadeiras do quintal lavem minha alma com mel
 me deixem secar o pranto dependurada no céu

ah... lavadeiras do espaço
 se essa canção que faço lavar a tua tristeza

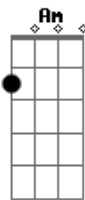

eu também vou me sentar à mesma mesa
 comer o mesmo bocado, beber a mesma pobreza
