

# Denise Resende - Let The Tear Falls Down (Lgrimas Caem)

Tom: G

Mysteries and troubles around  
 My deal is fighting against it all  
 One day I remember the time  
 That I almost crashed the bottom of well  
 Let the tear falls down  
 Let it goes to the ground  
 And it will hydrate the lands  
 And beautiful flowers will rise from them.  
 Nem sempre e tao facil seguir

Mas eu luto e nao vou desistir  
 Na vida e preciso lembrar  
 Que a gente cai para poder levantar  
 Deixa o choro sair  
 Nao tem porque voce fingir  
 E quando a lagrima o chao tocar  
 Vao semear novas flores que irao brotar  
 Let the tear falls down  
 Let it goes to the ground  
 And it will hydrate the lands  
 And beautiful flowers will rise from them
